A mobile customized job portal – Join in!

For all mobile formats and platforms:

- ✓ *Your candidates can apply from their mobile or tablet easily and quickly*
- ✓ *Optimize and increase the usability for your candidates*
- ✓ *Fast loading of your job advertisement and application form on mobile devices*
- ✓ *Keep the interest of the candidates when they are visiting your job portal from mobile or tablet*

It is possible for your candidates to apply using LinkedIn as well as uploading document directly from Dropbox, Google Drive, Gmail, Flickr, PC etc.

"Over 40 % of the visitors at www.jobindex.dk use mobile or tablet. Therefore, it is important to focus on mobile customized solutions to achieve an optimal and user-friendly experience for visitors."

Berit Egholm, Head of marketing, Jobindex
